

WHAT SETS HARMAN LAW APART

Some lawyers say they've known law was their calling from toddlerhood, but I'm not going to lie — there's a good chance I only ended up a lawyer because I love school and helping people makes me happy. It's as simple as that, and, in the beginning, the law had nothing to do with it ... [CONTINUE READING](#)

ARE YOU FACING DISCRIMINATION AT WORK?

The word "discrimination" usually suggests issues related to race, sex, and religion, but did you know that, when it comes to the law, the definition of discrimination in the workplace is much more far-reaching? ... [CONTINUE READING](#)

NFL LOWERS CONCUSSION RATES IN 2018

Prior to the 2018 National Football League (NFL) season, the league administration introduced two rules aimed at preventing concussions: Players are no longer allowed to "wedge" block — players running shoulder-to-shoulder into another player — during kick-offs, and they can't lower their helmets when they tackle ...
